Sivakasi

A detail-oriented MCA graduate with a strong foundation in programming, debugging, and software engineering principles. Experienced in building full-stack applications with clean, maintainable code. Passionate about contributing to collaborative development teams and eager to grow by embracing new technologies and structured development processes.

EDUCATIONAL QUALIFICATIONS

- Master of Computer Applications (2023-2025) – S.F.R College, Sivakasi (75%)
- Bachelor of Computer Science (2020-2023) – S.F.R College, Sivakasi (73%)

TECHNICAL SKILLS

- Programming Languages: Java, Python, C#
- AI Technologies: Generative AI, Prompt Engineering
- Web Development: HTML, CSS, JavaScript
- Database Management: SQL, MySQL, MongoDB
- Frameworks & Tools: Flask, .NET, Visual Studio Code, NetBeans

PROJECTS

➤ Resume Analyzer

- Developed an AI-powered tool using Streamlit to help job seekers analyze resumes, receive feedback, and enable recruiters to filter, score, and shortlist candidates based on extracted resume data.
- Technologies used: Python, Streamlit, SpaCy, PDFMiner, MySQL.

➤ Event Management System

- Built a web-based application for event creation, participant registration, and scheduling.
- Technologies used: C#, CSS, MySQL.

INTERNSHIP EXPERIENCE

➤ Intern, Srimax Software Solution

- Developed dynamic web components using JavaScript, enhancing website interactivity and user engagement.

➤ Intern, AAA Techno Park Private Limited

- Created interactive dashboards and data visualizations using Power BI, delivering actionable insights to support data-driven decision-making.

CERTIFICATIONS

- Full Stack Web Development with Flask - LinkedIn Learning
- Power BI: Integrating AI and Machine Learning - LinkedIn Learning
- Django Essential Training - LinkedIn Learning
- Masterclass in Data Analytics - NoviTech R&D Private Limited
- Masterclass in AI & Data Science - NoviTech R&D Private Limited
- Masterclass in Artificial Intelligence - NoviTech R&D Private Limited
- Masterclass in Full Stack Development - NoviTech R&D Private Limited

STRENGTHS

- Strong analytical and problem-solving skills.
- Quick learner and adaptable to new technologies.
- Excellent communication and teamwork abilities.
- Proven ability to manage tight deadlines and deliver high-quality results.

HOBBIES

- Generating images using AI with prompt engineering
- Analyzing game design and functionality
- Reading books
